t400Fret1976JanFeb.rtf

t400Fret1976JanFeb.rtf is a mistaken reference, this table does not exist.

The sentence: “In contrast to previous months, these cases occurred mainly in the eastern districts: 64.7% (97/150), as is shown in Figure <t400Fret1976JanFeb.rtf>.” should have been changed simply to read: “In contrast to previous months, these cases occurred mainly in the eastern districts: 64.7% (97/150).”
